Ingenicard increases it's coverage in the US thru the Allpoint Network.

Miami, FL (May 2009) Ingenicard, a company specializing in financial solutions focusing in the Hispanic market, has joined with Allpoint Network of ATM's to increase it coverage in the US and provide additional benefits to its iCard users.

The first to benefit from this new service are the Peruvians living in the US and current users of the iCard. Later new ethnics will join as Ingenicard increases to new markets in Latin America.

As we are aware, the iCard from Ingenicard is utilized by the Peruvian community in the US to pay their bill in the county of origin, transfer funds to family members in Peru among other benefits: while family members in Peru could use the iCard to make withdraws from any Globalnet and Interbank ATM network and also make purchases at affiliated merchants.

To this, Juan Valmana, CEO of Ingenicard added: "It is a pleasure to inform our iCard members that they now have this new service which has access to 37,000 ATMS

from the Allpoint Network in the US"
